

IMMACULATE HEART OF MARY CATHOLIC SCHOOL

GRIEVANCE POLICY and PROCEDURES

1. Rationale

As a community with a Catholic ethos, committed to Gospel values, Immaculate Heart of Mary Catholic School has both a desire and responsibility to ensure that our environment is a welcoming and inclusive one where everyone can feel accepted and valued. However, in any normal community, there are times when people raise concerns or complaints. Frequently such problems are minor and are resolved informally; sometimes there are occasions when a person wishes to make a formal grievance. The following procedures set out the ways in which we, as a Catholic Community, will respond to and resolve complaints. This policy is based on the Tasmanian Catholic Education Office Policy on School Grievance.

1. Purpose

The purpose of the policy and its accompanying procedures is to provide those associated with the Immaculate Heart of Mary Catholic School Community the opportunity to resolve issues, which adversely affect them and/or matters about which they are aggrieved. An essential principle of the Grievance Policy and Procedures is that where possible grievances and disputes should be resolved between the persons concerned. The procedures are intended to prevent personal conflicts becoming entrenched and to resolve disputes without delay and in a conciliatory, informal and effective manner. The procedures provide a fair and consistent method of resolving grievances at Immaculate Heart of Mary Catholic School.

2. Scope

This policy and procedures applies to:

- All employees and volunteer workers at Immaculate Heart of Mary Catholic School and to all grievances, disagreements or disputes between any employees or volunteers in the Immaculate Heart of Mary Catholic School workplace.
- Students, parents, carers and guardians of Immaculate Heart of Mary Catholic School students.
- The general community.
- With regards to the Education Act this policy and the accompanying procedures includes the entire school community i.e. staff, parents, students, volunteers, contractors, suppliers and neighbours.

3. Definitions

A **grievance** is defined as any current decision, act or omission regarding matters arising from processes involving Immaculate Heart of Mary Catholic School, which is considered to be in breach of any of the School's policies and procedures. It includes any disagreement, unresolved difficulty or negative feeling between any employees or volunteers in the workplace or members of the school or wide communities, which if left unresolved will be detrimental to ongoing relationships associated with the various roles and functions within the school.

Conciliation is defined as a process where an independent person, agreeable to and accepted by all parties in dispute, works with those parties to reach reconciliation or at least a resolution that both are in accord with. **Conciliation and mediation can occur at any stage of the grievance process.**

4. Guiding Principles

This policy and procedures meets the legal requirements set out by the Workplace Health and Safety Act 1995, the Anti Discrimination Act 1998 and the Privacy Act. It also complies with the Anti Discrimination and Harassment Policy and the Workplace Health and Safety Policies of the Archdiocese of Hobart. This policy and procedures is also a requirement under the Education Act.

5. General Principles

- a. All employees, volunteers and members of the school and wider community are entitled to fair and consistent treatment and prompt consideration of complaints.
- b. Any disputes or grievances will be taken seriously, handled professionally and confidently in order to achieve a speedy resolution.
- c. It will be ensured that all employees, volunteers and members of the Immaculate Heart of Mary Catholic School Community have a clear understanding of the steps involved within this policy and procedures.
- d. The Immaculate Heart of Mary Catholic School Community is committed to forming and maintaining harmonious and cooperative relationships at all levels within the school.
- e. Grievances should be discussed and resolved within a general framework of cooperation, which emphasises respectful communication and empathy with the perceptions of others.
- f. Grievances should be handled as far as possible within the confines of the school.
- g. Resolution of grievances should occur as soon as the situation has been identified, as this will minimise the negative effects of ongoing problems in the workplace.

Information for Students

Making a Complaint

At Immaculate Heart of Mary Catholic School, we believe that it is important that everyone feels happy and safe at school so that the best learning can take place. We believe that everyone, staff, students and parents need to work closely together to provide the best educational opportunities for you. If you have a problem, a concern or a complaint, we encourage you to speak to someone about it and we have provided some steps that you might work through to help you do this.

What to do if you have a problem:

- Try to identify the problem that is upsetting you. If there is more than one problem, list them so that you are clear about what you feel or need.
- If you feel you can, talk to the person you are having the problem with and if their behaviour is upsetting you, tell them to stop.
- If you do not feel that you could do this, or if your talk with the person does not solve your problem, talk to a teacher about your concerns and ask them to help you deal with it. Your teacher will often be able to give you good ideas on how to cope with it and help you. You should explain:
 - Who was involved
 - What happened
 - What you did
 - What you believe was unfair or unjust
- Try to stay calm when discussing your problem or concern. Even if you don't feel it, being calm will help you get your concerns across more clearly than if you are upset or angry. It may help to take someone with you.
- Work with the teacher to decide what should be done to help you.
- If you still do not feel that the matter has been solved, make an appointment to talk to an Assistant to the Principal or the Principal.

Remember:

- Sometimes the person helping you will need to speak to someone else so that the problem can be solved. You need to let that person know that you are okay about that.
- You can bring a friend, parent or a teacher to support you when you need to talk about the problem.
- No one will be allowed to pick on you or hurt you because you made a complaint.
- If you want to, you can write out your complaint in a letter instead of talking about it, but the person helping you will need to speak to you later.
