He said to her, "Daughter, your faith has healed you. Go in peace and be freed from your suffering."
(Mark 5:34)

Dear Parents, Students and Friends,

Mrs Jane Davies has notified us that her surgery went well and the doctors have informed her that she is now free of cancer. We thank God for comforting Jane, her family and friends during this nervous time. We look forward to welcoming her back in Term 3. We continue to pray for Mrs Cathy Joyce as she battles her illness and that she conquers her challenge with cancer.

With two and half weeks to go in the term, all teachers are busy writing and reading students reports. All reports will be sent home on Thursday 3rd of July and optional Parent/Teacher Interviews will be early Term 3. A note will be sent home with the reports regarding this.

Cake Stall
I would like to thank all the parents who donated a cake for the successful cake stall that was held last Monday. This is a wonderful whole school event that raises vital funds for the P&F. I would also like to thank the P&F Committee for organising this stall.

Gardening Project
It has been very encouraging to see that many students are interested in being part of our gardening project. If you are still interested in you or your child being involved in the gardening project then please return the gardening form ASAP. If you have misplaced the letter, you can pick one up from the office. Sister Joseph and I will then organise a timetable that will begin in Term 3. We will notify all students and parents/friends before the end of this term.

A team of students from Grade 3 to 6 will participate in the Tasmanian Primary All Schools Cross Country at Symmons Plains Motorway next Wednesday 25 June. Newsletters/Excursions
Over the next couple of weeks most classes will be going on an excursion. I remind all students that it is important that all notes are given to your parents. Most notes have a return permission slip and it is vital that these are returned for the students to attend the excursion. These excursions are listed on our own TeamApp under events. I encourage all parents to sign up to this if they haven’t already.

Father Shammi travels back to Sri Lanka
Today, Father Shammi travels back to Sri Lanka to visit his family. We wish him all the best and pray that he has safe travels and enjoys his special time with family. Father Shammi will return back to Tasmania in August.

Football Cards
It is great to see so many students interested in football. Many students are swapping cards at school, which is fine, however there have been a few issues with some students trading and viewing their cards at inappropriate times. Students are only allowed to view and trade their cards at break times (i.e. before/after school, recess and lunch time). We are discouraging all students from trading cards for money at school.

Feast Day Mass and Activities
Next Thursday 26th June, all students will be celebrating our school feast day. We will be starting by bussing the entire school to St Mary’s Cathedral for Mass and then being involved in fun competitive activities in their buddy groups back at school. I ask that all students please wear their sports uniform on this day. I invite all parents and friends to this special Mass at the Cathedral. The Mass begins at 10am.

Sports Uniform Order
We will be placing another sports uniform order at the end of this term. Order forms are available from the school office.

Grade 3 & 4 Football Clinics – Wednesdays
All Grade 3 and 4 students are participating in football clinics run by the North Melbourne Football Club. Both boys and girls are learning and developing some football skills. All students are asked to wear their PE uniform on a Wednesday for the rest of the term.

Take care,
Nick McGann
Principal

Grade 1 Excursion
Grade One had a most enjoyable excursion to Woodsdale History Museum last week. We were greeted by very welcoming volunteers who helped to make our day so special. We dressed in old-time clothes and got into three groups to explore different aspects of the past.
There were two large sheds, one the shearing shed and the other with tools and farming equipment from long ago. The old classroom was a big hit. We got to write on a slate and had a very stern teacher with a cane tell us about how classrooms were run in the past.
In the kitchen we made damper which was very yummy. We washed our hands in a basin, which reminded us that people had to manage without running water. Everyone tried to work out what some of the old cooking utensils had been used for. We also visited the parlour and the teacher’s room with the feather bed and chamber pot.
It was a wonderful day and we’d like to thank all the parents who came with us and also Mr McGann who drove the bus.
