

Vision Statement & Mission Statement

Vision and Mission

To Respect

We value and accept diversity within our community.
We are a welcoming school community.
We engage with and support the marginalised within our community and the wider society.
We treat all people in our school community fairly and justly.

To Celebrate

We appreciate the unique nature of our community and celebrate its diversity.
We provide meaningful opportunities for faith filled prayer, reflection and worship.
We acclaim our Catholic heritage using images of our founders.

As a school community we are called:

We are a community of people loved unconditionally by God, through Christ, who impels us to deepen our relationship with all people.

In the Josephite Tradition, we embrace lifelong learning that leads towards a future where hope, respect, compassion and justice can flourish.

To Educate

We provide authentic teaching and learning experiences that empower our students to become life long learners.
We develop a community of students who think critically, discern wisely and value the search for truth.
We give witness to the Gospel values, recognising Christ as teacher and friend.
We create a culture and curriculum that inspires and enables our students to respond to the challenges of life and social justice.

To Connect

We build positive and collaborative relationships with the students, families, parish, and the wider community.
We recognise that parents are the primary educators and support them within this role.
We foster an appreciation between students and the natural and prayerful environment.

To Nurture

We develop the importance of Faith and having a relationship with God.
We provide opportunities to encourage the gifts and talents of all members of our school community.
We foster and encourage creativity in our students.
